Dear Parents

Information on Key Stage 2 National Curriculum Tests

As we are sure you are aware the Year 6 children will be sitting their National Curriculum Tests in English and Maths during the week beginning 14th May. These tests are very important and we obviously want all pupils to do their best. Attendance is extremely important during this week as it is **not** possible to take the tests at another time. Punctuality is equally important as the morning tests take place shortly after registration. It is not necessary for your child to bring any equipment into school for the tests as we will provide all the necessary materials for them.

For your information we have included a timetable below which we hope will be helpful to you. If you have any concerns, or further questions, please do not hesitate to contact one of us.
